HOTEL PINTOR
EL GRECO

Welcome

Dear guest,

First of all, we would like to thank your trust in Hotel Pintor El Greco for choosing us for your stay in this city. It is a pleasure for us to welcome you.

Our team takes part of a family business who has been working over 30 years with effort and dedication for you to have an unforgettable stay.

Hotel Pintor El Greco is located in the center of the old Jewish Quarter, one of the most characteristic areas, over the remains of an old 18th century oven bakery, respecting the traditional architectonic environment of this millenary city.

The inner decoration has been carefully studied with the aim of the maximum functionality to be able to offer a comfortable and warm stay.

Each of our rooms are unique and we invite you to know them all in your future visits to the city.

Enjoy our outstanding buffet breakfast in a warm and cozy environment surrounded by brick and stone walls under an 18th century wooden ceiling. Do not hesitate asking our staff if there is anything you may need. They will be delighted to help you.

To relax and rest, we do invite you to our “El Candil” Gin Club where you would be able to enjoy a large variety of cocktails, cold and hot drinks and tapas.

The hotel gives you a complimentary guided tour in Spanish through the city on Saturdays. If you are interested in it, please, ask for information at the front desk.

We will be up to you during your whole stay to solve any possible doubt you may have: touristic information, highlights and interesting spots in town. Also schedules, restaurants and shopping centers.

We wish you a happy stay with us.

Sincerely,

The Management

VÍCTOR SÁNCHEZ - BEATO
RESTAURANTE

Víctor Sánchez - Beato

The culinary innovation in Toledo has been always linked to few names, one of them is our executive chef Víctor Sánchez Beato, this time cooking on live on a delicate bar of Hotel Pintor El Greco with a capacity for 16 banqueters. This idea is original from one of his last trips to Japan. Season products mixing tradition and modernity. Tasting menu up to the chef's criteria.
